How to use this guide

Every page spread carries key information to signpost exactly what section you're in, the name of the range you're looking at, the finish, the colour and the features of that particular section.

Where you are

This area indicates what collection you're in (Contemporary or Classic) and what finish you are looking at (gloss, matt etc.)

THROUGHOUT THIS BROCHURE, YOU'LL SEE OUR ICONS.

THESE ICONS ARE YOUR QUICK AND SIMPLE REFERENCE TO PRODUCT AND SERVICE BENEFITS.

Colours

We strive to ensure that the images and colours represented in this brochure are as close to the final product as we can make them.

Before making your final decision, we recommend that you ask your retailer for a sample door. Our brochures are great, but nothing compares to experiencing the product close up.

Icons

Our simple icons highlight the benefits of our bedrooms at a glance. In this example, it's a Made to Measure range, manufactured in the UK with a 6-year guarantee.

It's all in the name.

With every image there is a title. The first word in **Bold** is the range name, e.g. Zurfiz/Bella/Valore. The next piece is the colours of the Bedroom shown. In our Bella range you will see a Style as well.

See pages 104 -107 for an overview of all our ranges, colours and styles.

Made to Measure

When standard size is just not the right fit. When you need that little bit extra, our Zurfiz, Bella and Valore Ranges are made to measure.

Product Guarantee

A Bedroom is an investment that requires a guarantee to match. Our dedicated quality control team ensure our bedrooms reach you in perfect condition and stay that way for years to come.

Mix Colours and Styles

With our stunning Bella range of 36 colours and 28 styles you can mix any colour with any style. Use the brochure as a guide and let your imagination take over.

Paintable

The colour is down to you. Let your creativity take over and decide on a colour that is right for your space.

Choose your edge option

For that little bit extra on our Zurfiz and Valore ranges you have the choice of edge options.

Made in the UK

In two state-of-the-art factories with a dedicated team, we have been manufacturing bedrooms, doors and components in the UK for over 30 years.

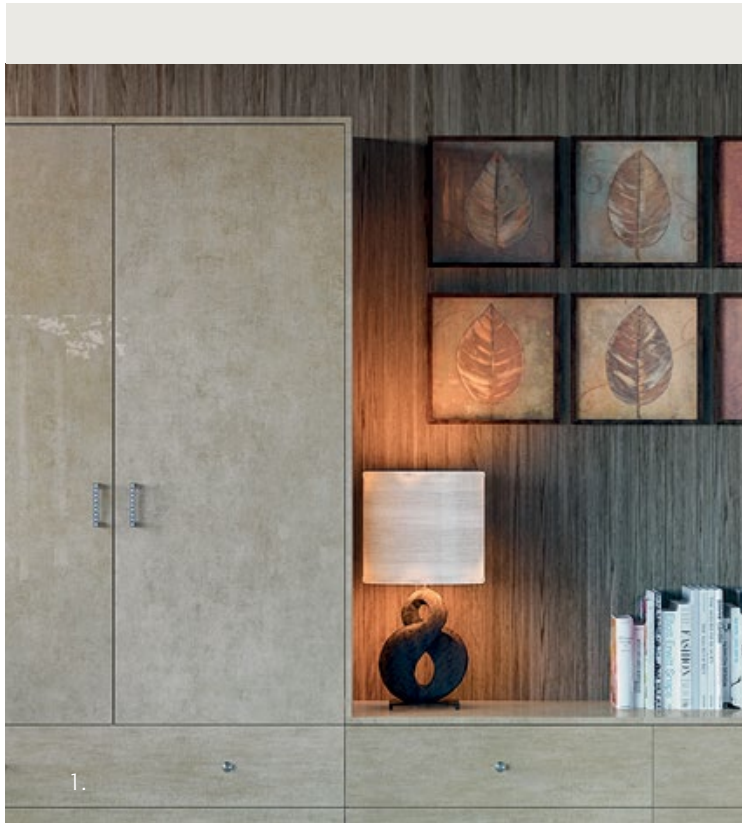

Just a reminder.

That with our Zurfiz range you have the choice of three edge options. Some exclusions apply, see page 104.

Just a reminder.
